

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2018 with regard to energy labelling of refrigerating appliances with a direct sales function

**Supplier's name or trade mark:** EKOFRIST

**Supplier's address:** Klimaitalia Market Surveillance, DELLA TECNICA E DELL'INNOVAZIONE 7/9/11, IT

**Model identifier:** EKG 390 VG BLK

**Use:** Display and sale

**Type of refrigerating appliance with a direct sales function:**

Beverage coolers

Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV.

bctv

**Product specific parameters**

**1. Beverage coolers:**

|                                     |                                                                               |                       |
|-------------------------------------|-------------------------------------------------------------------------------|-----------------------|
| Gross volume (dm <sup>3</sup> or L) | Ambient conditions for which the appliance is suitable (according to Table 6) |                       |
|                                     | Warmest temperature (°C)                                                      | Relative humidity (%) |
| 308                                 | 10                                                                            | 60                    |

**General product parameters:**

| Parameter                         | Value    | Parameter                                                                                                                                                                          | Value |
|-----------------------------------|----------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 1 436,37 | Recommended temperature(s) for optimised food storage (°C)<br>(These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | 5     |
| EEL                               | 52,7     | Energy efficiency class                                                                                                                                                            | E     |

**Light source parameters:**

|                         |   |
|-------------------------|---|
| Type of light source    | - |
| Energy efficiency class | - |

**Minimum duration of the guarantee offered by the supplier:** 12 months
