

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2018 with regard to energy labelling of refrigerating appliances with a direct sales function

**Supplier's name or trade mark:** Amitek

**Supplier's address:** Assistenza tecnica, via Santo Marino 250, 47824 Poggio Torriana RN, IT

**Model identifier:** AX300CDN

**Use:** Display and sale

**Type of refrigerating appliance with a direct sales function:**

Ice-cream freezers

Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV.

ICFS

## Product specific parameters

### 2. Ice-cream freezers with Non-transparent lid

| Net volume (dm <sup>3</sup> or L) | Ambient conditions for which the appliance is suitable (according to Table 8) |         |                             |         |
|-----------------------------------|-------------------------------------------------------------------------------|---------|-----------------------------|---------|
|                                   | Temperature range (°C)                                                        |         | Relative humidity range (%) |         |
|                                   | minimum                                                                       | maximum | minimum                     | maximum |
| 282                               | 16                                                                            | 35      | 40                          | 75      |

## General product parameters:

| Parameter                         | Value  | Parameter                                                                                                                                                                       | Value |
|-----------------------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 836,00 | Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | -18   |
| EEl                               | 49,4   | Energy efficiency class                                                                                                                                                         | D     |

## Light source parameters:

|                         |     |
|-------------------------|-----|
| Type of light source    | LED |
| Energy efficiency class | G   |

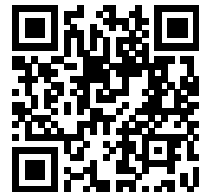

**Minimum duration of the guarantee offered by the supplier:** 12 months
